

Thank you for volunteering for the Nature Valley Grand Prix!
You help make this event a success!

St. Paul Riverfront Time Trial * Wednesday Morning, June 16 * Rain or Shine

- Please arrive 10 minutes before your shift is scheduled to start. You will receive a separate email confirming your shifts.
- Please wear comfortable clothes and shoes and dress appropriately for the weather.
- We have very little space (with no security) to store valuables so please bring what you can carry.
 - If you are doing set up and tear down, bring gloves.
 - If you are course marshalling, bring a backpack to store water/food and keep your hands free.
- Check in at the volunteer tent to receive your badge, t-shirt, and other materials (e.g. safety vest/whistle). The map below shows the location of the volunteer tent (corner of S. Cherokee Avenue and S. Orleans Street).
- You will receive a quick orientation about your duties.
- When you are done, please drop off your badge/vest/etc at the volunteer tent, and pick up your goodie bag.
- The map below shows possible locations for parking. Some volunteers will be taken to their positions on the course due to the distance (or bring your bike; it is the fastest way to your spot!)
- For a map of the race course please go to www.naturevalleybicyclefestival.com
