Quick Notes on Moto-Marshaling:

Safety: Most Important aspect – for yourself, the drivers you meet and the Racers!
Information: You'll pull up next to drivers and inform them of coming race – ask them to wait until race passes
Road Block: If you don't have time to explain, just motion driver to wait, use bike to block passage
Courtesy: be as kind to drivers as possible, they don't know why they are being pulled over!!!
